Legislative Report for Week Ending May 28, 2010

Second Session of the 52nd Oklahoma Legislature

Provided to the Oklahoma State Association of Health Underwriters

Session Convenes –

The second session of the 52nd Legislature has officially adjourned. Friday was a day of fireworks as both the House and the Senate called for Sine Die. Goodbyes were said to Leadership, as both the Speaker and President Pro Tempore have reached their term limits. Next year we will see a new Legislature, in Leadership and membership makeup. The Interim will be exciting as an election year is upon us.

As mentioned during this past week, this tracking list report may not be completely up to date. There is an influx of information that has to be updated. Later next week, I will be sending a yearend report that will have all current information for you. This was a great year and a great session.

When looking at this list, notice that the bill number is a live link. By clicking the actual bill number, it will bring up the bill text. If a committee substitute or amendment is on file, this will let you see that as well.
